

# Tiny Texts

*in English*

Read, listen & learn a little English!

## Which email bird are you?

Match the key words and definitions:

**tends to-**  
**in copy-**  
**concluded-**  
**in person-**  
**matched with-**  
**time off-**

compared to  
free time  
has the habit of doing  
face to face  
said (in the end)  
to people who are not the direct recipients

Now cover the key words and try to complete the text.

Scottish researchers say how people use emails can be \_\_\_\_\_ bird behavior. They have put email users into 12 categories. The night owl is a midnight emailer who forgets that people want to have \_\_\_\_\_. The peacock \_\_\_\_\_ put everybody \_\_\_\_\_, even if they don't need to know. The woodpecker is constantly checking for new mail. The team \_\_\_\_\_ that the perfect emailer is the robin, who tries, if possible, to speak to people \_\_\_\_\_.

## Are you a robin?
