Now cover the key words and try to complete the text.

The Happy Egg Co, which specializes in _____ eggs, has invented an automatic pancake machine just in time for Shrove Tuesday. The device consists of a range of _____ objects including an old _____, an electric _____ and, of course, a _____. The process starts when the hen _____ an egg. The egg is then _____ along a _____. Next, it is _____ open and mixed with the other ingredients. Finally, the mixture is _____ into the pan, cooked and _____ onto a plate. The _____ is not for sale: it's going to be _____ at London's Design Museum _____. In any case, pancakes are fun and easy to make by hand.

Do you know how to make pancakes?
